**CONSENT DECREE**

**I. BACKGROUND**

A. The United States of America (“United States”), on behalf of the Secretary of the United States Department of the Interior (“DOI”) and the Secretary of the United States Department of Commerce (“Commerce”), filed a complaint as a co-plaintiff in this action under Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, (“CERCLA”), 42 U.S.C. § 9607.

B. The complaint alleges that the Massachusetts Electric Company, d/b/a National Grid (“Settling Defendant”) is liable under CERCLA for damages for injury to, destruction of, or loss of natural resources resulting from the release of hazardous substances at the “Site,” as defined herein. Under 42 U.S.C. §§ 9607(f)(2) and 9615, Executive Order 12580, and the National Contingency Plan, 40 C.F.R. Part 300, DOI, through the United States Fish and Wildlife Service (“FWS”), and Commerce, through the National Oceanic and Atmospheric Administration

(“NOAA”), have been delegated authority to act as the Federal Trustees for natural resources impacted by the release of hazardous substance at or from the Site, as hereafter defined.

C. The Commonwealth of Massachusetts, on behalf of the Secretary for the Executive Office of Energy and Environmental Affairs (“EEA”), acting by and through the Massachusetts Department of Environmental Protection (“MassDEP”) (collectively, the “Commonwealth”), is co-plaintiff on the complaint in this matter, and seeks damages for injury to natural resources under Section 107 of CERCLA, 42 U.S.C. § 9607, and under the Massachusetts Oil and Hazardous Material Release Prevention and Response Act, Mass. Gen. Laws ch. 21E, §§ 1-22. The EEA Secretary is the Massachusetts official designated to act on behalf of the public as trustee for natural resources managed or protected by the Commonwealth and its agencies that have been affected by the release of hazardous substances, hazardous materials, and/or oil. Mass. Gen. Laws ch. 21A, § 2A; 42 U.S.C. § 9607(f)(2); 40 C.F.R. § 300.605.

D. By entry into this Consent Decree, the Settling Defendant does not admit any liability to the Plaintiffs arising out of the transactions or occurrences alleged in the complaint.

E. The Trustees believe Settling Defendant’s obligations under this Consent Decree constitute adequate compensation for Natural Resources Damages, as defined herein, arising from the release of hazardous substances, hazardous materials, and/or oil at and from the Site.

F. The Parties to this Consent Decree recognize, and the Court by entering this Consent Decree finds, that this Consent Decree: (i) has been negotiated by the Parties in good faith; (ii) will avoid prolonged and complicated litigation among the Parties; (iii) will expedite natural resource restoration actions to be performed by the Trustees; and (iv) is fair, reasonable, and in the public interest.

NOW, THEREFORE, it is hereby Ordered, Adjudged, and Decreed:
